4 Bedrooms | 2 Bathrooms | 1,801 Sqft

Beautiful custom built 4 bedroom, 2.5 bath home on a spacious half acre lot with peaceful waterfront views. From the moment you enter, you are welcomed by an open and airy floor plan featuring a wood burning fireplace, high ceilings with crown molding, and a clear view of the rear yard. The kitchen is designed for both style and function with stainless steel appliances, custom cabinetry, and granite countertops. The primary suite offers a relaxing retreat with a large walk in closet and a spa inspired bath complete with a garden tub, separate shower, and granite countertops. Outdoor space is set up for convenience and enjoyment with an expansive yard overlooking the pond. There is ample concrete already poured for a travel trailer along with a 30 amp breaker for easy RV hookup. The California style garage provides additional versatility for storage or workspace. Situated on a quiet dead end street, this home offers privacy and comfort. Solar panels and a full security camera system will remain with the property.
