Discover this stunning home nestled on a lake lot in the Rienzi Subdivision, featuring 4 bedrooms and 2.5 baths in the main house, along with an additional bedroom and bathroom in the pool house. The home boasts an open concept living area with a cornered gas fireplace that seamlessly flows into the kitchen and dining area. Beautiful antique doors lead to the sunroom and outdoor patio, creating an ideal space for entertaining. The kitchen highlights a gorgeous farmhouse copper sink, a Wolf cooktop, granite countertops, and a butcher block island, while the dining area sparkles with light from a crystal chandelier. Two of the three accessory bedrooms are adjoined by a Jack and Jill bath, showcasing green hexagon mosaic tile and a white subway surround. The spacious primary suite offers a cozy fireplace, two walk-in closets, and a master bath featuring a relaxing jacuzzi tub and shower. Outside, you will find a beautiful gunite pool with travertine decking, perfectly situated between the back of the home and the pool house. The outdoor kitchen faces the pool and is equipped with a built-in Big Green Egg, two gas burners, a mini fridge, and a sink. Inside the pool house, you will discover a full kitchen, bedroom, bathroom, and theater seating. Additionally, there is a cement pad behind the pool house for boating. This exceptional home truly includes
