Great opportunity to own a beautifully updated home with only a few finishing touches remaining! Following Hurricane Ida, this property underwent extensive renovations, including a new roof, HVAC system, electrical, plumbing, Sheetrock, flooring, paint, windows, light fixtures, and a remodeled bathroom. The kitchen has been completely updated with new cabinetry, countertops, and stainless steel appliances. Most of the major improvements have already been completed, allowing the next owner to add the final details and build instant equity. Additional flooring is included to complete the unfinished living room area. Some exterior soffit repairs, lighting updates, and interior trim work remain. Conveniently located directly across from Broadmoor Park and the baseball fields, this home offers a great combination of value, location, and potential.
