Located in Fennwood Subdivision, this spacious 4 bedroom, 2 bath home offers multiple living areas, generously sized bedrooms, and a sizable backyard, along with several major updates already completed. With a roof less than 1 year old, an HVAC system less than 5 years old, and no carpet throughout the home, many of the larger improvements have already been taken care of. Inside, updated laminate wood flooring extends throughout the living areas and bedrooms, creating a cohesive look and easy maintenance. The home features both a living room and an oversized den, providing multiple gathering spaces for everyday living and entertaining. The dining room features a bay window, a stately corner brick fireplace, and an updated light fixture. The kitchen offers ample cabinet and counter space with a layout that provides a great foundation for future updates and personalization. Just off the kitchen, the spacious laundry and utility room offers additional cabinetry, countertop workspace, and extra storage. All four bedrooms are generously sized and offer comfortable accommodations for a variety of needs. Outside, the covered back patio overlooks the backyard and provides a comfortable space to relax, entertain, or enjoy outdoor activities. A covered carport provides convenient parking and connects to a spacious
