**5 Bedrooms | 3 Bathrooms | 2,446 Sqft**

Welcome home to this beautiful custom-built 5-bedroom, 3-bath residence offering 2,446 square feet of thoughtfully designed living space and breathtaking pond views across the entire back of the home. Enjoy peaceful mornings and relaxing evenings on the covered back porch while watching ducks glide across the water, or cast a line and fish right from your own backyard. A new bulkhead was installed along the lake in 2025, adding both value and peace of mind to this waterfront property. The open-concept floor plan is perfect for both everyday living and entertaining. The gourmet kitchen features granite countertops, stainless steel appliances, a 6-burner commercial-grade gas range, and a gorgeous copper farmhouse sink. A striking brick archway creates a warm architectural transition between the kitchen and living area. The spacious primary suite offers a true retreat with a large soaking tub, an impressive 4' x 6' custom shower with dual shower heads, and a huge walk-in closet complete with built-in dressers, shelving, and dedicated shoe storage. Additional highlights include abundant storage throughout, built-in mudroom lockers off the garage entrance, surround sound speakers in the living room, wiring for outdoor speakers, and a 2-car garage with an attached storage/workshop area featuring its own garage door.
