One of my all-time favorite floorplans in Americana is available! 4 bedrooms and 3 baths. The primary suite and an additional bedroom and bath are on the 1st floor with 2 spare bedrooms, a full bath and a large bonus space on the 2nd. This home has stylish upgrades, an extended patio, fully fenced yard and so much more. Better than new on this corner lot with great neighbors. This home has a large kitchen open to the living and dining. You have to see this one in person to see all of the customization!
