**3 Bedrooms | 1 Bathroom | 2,881 Sqft**

Spacious two-story home offering over-sized living areas, flexible spaces, and plenty of potential for the buyer ready to make it their own. Featuring 3 bedrooms and 1.5 baths, all bedrooms are located upstairs along with a full bath, while the downstairs offers a convenient half bath with laundry capabilities. The large kitchen provides abundant cabinet storage, granite countertops, custom backsplash, breakfast bar seating, and an undermount sink. Character-filled details include wood beam accents, brick features, custom built-ins, unique lighting, and a wood-burning fireplace. Upstairs you'll find a sitting area/den, a spacious primary bedroom with wood plank ceiling, walk-in closet, office nook, and private balcony overlooking the backyard. Additional features include central air conditioning, covered patio, attached double garage, detached rear garage, and extensive parking options. Roof approximately 6 years old, water heater replaced in 2026, and exterior A/C unit approximately 2 years old. If you're looking for space, storage, and the opportunity to add your own updates and vision, this property is worth a look.
