Never flooded and flood insurance is not required! Tucked onto a big corner lot on a quiet, low-traffic street in Keystone of Galvez, this 3-bedroom, 2-bath home is ready to welcome you from day one. Wood floors, granite counters, and fresh paint give the interior a clean, inviting feel, while the kitchen island and gas range make everyday cooking a little easier. The primary suite offers a comfortable retreat with its walk-in closet and separate shower. Step out back to a covered patio overlooking a fully fenced yard with large side access with room for a boat, trailer, lawn equipment, or whatever you need tucked safely behind the gate. Best of all, it's truly turnkey: the refrigerator, washer, dryer, and gas grill all stay. A 5-year-old roof and gutters add lasting peace of mind. And when you're ready to enjoy the neighborhood, Keystone offers sidewalks, a park, and ponds with walking trails and fishing right around the corner. Some images may contain digital staging.
