3 Bedrooms | 2 Bathrooms | 1,160 Sqft

Welcome to Watson! This freshly painted, move-in-ready home is the perfect opportunity for first-time homebuyers, downsizers, or investors looking for a property with incredible value. Offering 3 bedrooms and 2 bathrooms, this home features an open-concept floor plan designed for comfortable everyday living and easy entertaining. The kitchen overlooks the living area and includes a raised breakfast bar, creating a functional space for gathering with family and friends. You'll love the durability and easy maintenance of the no-carpet flooring throughout the entire home. A dedicated office/computer nook provides the perfect spot for working from home, homework, or staying organized. The spacious primary suite features two separate closets, offering plenty of storage and convenience. Additional storage is available in the covered carport area, giving you even more usable space. Major peace of mind comes with the 1-year-old roof, making this home an even better investment. Conveniently located and priced to fit a variety of buyers, this is a must-see property that checks all the boxes. Be sure to search the property address on YouTube to view the virtual tour, then schedule your private showing today before it's gone!
