3 Bedrooms | 2 Bathrooms | 1,565 Sqft

This well-maintained 3-bedroom, 2-bath home offers a functional layout, quality finishes, and custom touches throughout. The open floor plan centers around a spacious kitchen featuring a large granite island, built-in stainless steel appliances, and plenty of workspace for everyday living and entertaining. The split floor plan provides privacy, with the two additional bedrooms located on one side of the home and the primary suite tucked just off the kitchen near the laundry room. The primary bedroom easily accommodates a king-size bedroom set and includes a walk-in closet with built-ins. The en suite bathroom features a tiled walk-in shower, a soaking tub, and ample space to start and end your day. Outside, the property has been just as well maintained with mature landscaping, an irrigation system, a screened patio, an additional open patio, and a storage shed for extra storage. Conveniently located directly across from the golf course and Cajun Critters, this home also sits in Flood Zone X, so no flood insurance is required by lenders. If you're looking for a home that's been well cared for and is truly move-in ready, this one is ready for its next owner.
