5 Bedrooms | 5 Bathrooms | 3,099 Sqft

This home has recently been updated in University Gardens on Cloverdale. The spacious five bedroom, five bath home with a library, updated bathrooms, and updated kitchen with a spacious living area and dining room. All new stainless steel appliances with bright white countertops and backsplash. The library has its own set of bookcases to house all of your special books. It's a great way to relax and do some reading with lots of light or as an office for your private useful business. The living area has lots of windows for so much light to come in. The dining room opens up into the living area with French doors. The kitchen has ample countertops with added electrical outlets and under counter lights. And in the rear of the house is its own little theater room for the family to watch their movies relax or play games. It could be a man cave since it does have a separate bathroom bedroom, bar, theater seats, and a tv on the wall. It is set back to the rear of the house with a breezeway. All of the bathrooms have new vanities, mirrors, lights, and faucets, as well as heater vent lights above on the ceiling. The house has one beautiful Hall Bath + 2 master baths attached to their bedroom and even a smaller bedroom has its own bath with a shower. The house has wood floors throughout and ceramic tile in the bathrooms. Home has updated double panel windows and is located
