Welcome home to Tara. This well-maintained home offers a spacious, thoughtfully designed floor plan that makes excellent use of every square foot. Just off the front entry, a generous gathering room provides flexible space for entertaining, a formal living area, home office, or playroom. The heart of the home is an inviting eat-in kitchen and den combination featuring a distinctive brick fireplace, abundant natural light, and peaceful views of the mature shade trees and large backyard. The layout creates an easy flow for everyday living and hosting family and friends. Major updates help provide peace of mind, including a roof and HVAC system replaced in 2021, furnace replaced in 2019, and kitchen oven, garbage disposal, and stove vent replaced in 2023. Rain gutters were added in 2025. The attached covered carport leads directly to the laundry room and additional storage area. Located in Flood Zone X, this charming Tara home combines character, functional space, and meaningful updates in a highly desirable Baton Rouge location. AI Staged Photos added for inspiration
