\$205,000

4 Bedrooms | 2 Bathrooms | 2,021 Sqft

Opportunity awaits in this spacious 4-bedroom, 2-bath home offering over 2,000 square feet of comfortable living space. Designed with an inviting open-concept, split-bedroom floor plan, this home features soaring vaulted ceilings that create an airy, expansive feel throughout the main living area. The oversized living room flows seamlessly into the kitchen and dining area, making it the perfect space for entertaining or everyday living. The kitchen has been thoughtfully updated with a brand-new sink along with an updated dishwasher and range, while major mechanical improvements include a 2019 HVAC system and a 2021 water heater, providing peace of mind for years to come. The private primary suite offers a spacious retreat complete with an en suite bath, two walk-in closets, and additional storage space. Three additional bedrooms provide flexibility for family, guests, or a home office. Situated on a spacious lot, the property enjoys a quiet cul-de-sac location with no rear neighbors, offering added privacy and plenty of outdoor space to enjoy. Energy-efficient solar panels are already installed and will transfer with the home. This property is being offered as a short sale and presents an outstanding opportunity for buyers or investors looking to add their own personal touches while building equity. This home did not flood and does not require flood
