Completely renovated within the past five years, the warm, inviting, and one-of-a-kind character of the home has been preserved through the painted wood ceilings, beautifully refinished hardwood floors that extend throughout much of the home, and oversized windows with craftsman trim that fill the living spaces with natural light and peaceful views. The kitchen stands out in both style and function with butcher block counters, subway tile backsplash, a farmhouse sink, gas range, updated stainless appliances, open shelving, ample cabinetry, and a custom vent hood. The added walk-in pantry provides exceptional storage and organization. The primary suite offers a spacious bedroom, beautifully updated private bath, and a reconfigured walk-in closet to maximize storage. Two additional bedrooms provide comfortable accommodations,
