4 Bedrooms | 2 Bathrooms | 2,026 Sqft

Like-new without the new construction price tag! Completely renovated 4 Bed, 2 Bath home with a brand-new roof that offers the space, style, and versatility today's buyers are searching for. Featuring two spacious living areas, a huge upstairs bonus room, a workshop with backyard access, and beautiful wood flooring throughout, every inch of this home has been thoughtfully updated and designed. The impressive great room welcomes you with soaring vaulted ceilings accented by exposed beams, a beautiful pre-fabricated fireplace, and an open-concept but still private layout that's perfect for entertaining. The great room flows seamlessly into the beautifully updated kitchen featuring granite countertops, stainless steel appliances, a gas range, stylish tile backsplash, a large island with breakfast bar seating, and abundant cabinet and countertop space. Just off the kitchen is a spacious laundry room, while the separate living room at the front of the home offers endless possibilities as a second living area, formal dining room, or cozy keeping room. The private primary suite is located on the left wing of the home alongside two additional bedrooms and features a beautifully renovated en-suite bathroom with a tiled tub/shower combination and modern finishes. A fourth bedroom is privately situated off the great room and includes a built-in computer
