4 Bedrooms | 3 Bathrooms | 2,342 Sqft

Move-In Ready with Premium Upgrades! Welcome home to this beautifully maintained custom-built 4-bedroom, 3-bath residence offering 2,342 square feet of thoughtfully designed living space. Featuring wood floors, soaring ceilings, and crown molding throughout, this triple-split floor plan provides both comfort and privacy for every member of the household. The spacious primary suite is a true retreat with elegant triple crown molding, dual walk-in closets, and a luxurious en suite bath complete with a corner soaking tub, separate shower, dual granite vanities, and a private water closet. Two bedrooms share a hall bath, while a separate guest bedroom with access to a full bath is perfect for visitors or a mother-in-law suite. The inviting living room showcases a gas fireplace with stunning Brazilian marble inlay, while the chef's kitchen offers custom pecan cabinetry, abundant storage, generous counter space, a slab granite island, and a gas cooktop ideal for entertaining and everyday living. This home has been thoughtfully updated with plantation shutters, a new roof and gutters, granite countertops in both secondary bathrooms, a 6-foot privacy fence, professionally landscaped river rock flower beds with irrigation, a security alarm on all windows and doors, and two Google Nest doorbell cameras for added peace of mind.
