This charming home is one of the original homes on the block and is full of character and potential. Situated on a generously sized lot, it features a 3-year-old roof, classic vintage-colored kitchen appliances, and beautifully preserved vintage bathroom accessories that add timeless appeal. Whether you're looking to add a rental property to your investment portfolio or create your own personalized home, this property is a fantastic opportunity. Did not flood in 2016. The home needs a few exterior updates, including work on the eaves and soffits, but it is priced accordingly and ready for your finishing touches. Don't miss this chance to own a home with great bones, vintage charm, and endless potential!
