3 Bedrooms | 2 Bathrooms | 2,644 Sqft

Discover a one-of-a-kind home nestled on 5 beautiful acres in St. Francisville, Louisiana! This spacious 3-bedroom, 2-bathroom home offers 2,644 square feet of living space and is filled with custom features you won't find anywhere else. The home's standout feature is its extensive custom concrete craftsmanship, including unique concrete countertops, floors and a beautifully designed concrete shower that add character and durability throughout the home. Upstairs, you'll find a versatile flex space that's perfect for a game room, media room, home gym, or additional living area. As an added bonus, the pool table and piano will remain with the home, making it move-in ready for entertaining. Step outside to enjoy your own private retreat featuring an in-ground swimming pool, a spacious deck for relaxing or hosting family and friends, and plenty of room to enjoy the privacy and possibilities that come with 5 acres. The property also includes a detached garage with a finished office or bonus room above ideal for working from home, a studio, guest space, or extra storage. The garage also includes a convenient half bath, adding functionality for projects, entertaining, or extended use of the space. The property also includes a well-maintained riding lawn mower, making upkeep of the acreage even more convenient. While the
