4 Bedrooms | 4 Bathrooms | 4,109 Sqft

Welcome home to this updated 2-story residence offering 4,109 square feet of living space with 4 bedrooms and 4.5 baths. Blending classic charm with modern updates, this home is perfect for everyday living and entertaining. The fully renovated kitchen features granite countertops, stainless steel appliances, a functional layout, and a spacious walk-in pantry. The inviting family room showcases soaring vaulted ceilings with exposed beams and a stunning corner brick surround wood-burning fireplace. A formal dining room and an expansive sunroom provide the perfect setting for gatherings of any size. The downstairs primary suite is a private retreat with an en-suite bath featuring dual vanities, an oversized custom-tiled shower, a separate soaking tub, and a large walk-in closet with built-ins. Two additional bedrooms share a renovated hall bath, while a convenient half bath serves guests. You'll also find a dedicated laundry room with an office nook and a spacious home office that could easily serve as a guest room. Upstairs, the newly added second primary suite offers exceptional comfort with separate his-and-her bathrooms, including a walk-in shower, garden tub, and a generous walk-in closet with built-in dressers. Outside, enjoy endless possibilities with a detached 556-square-foot workshop featuring a fully floored second level and a
