Rustic charm meets modern design in this one of a kind custom home nestled on 1.29 acres in Watson!! Thoughtfully designed with an inviting open concept floor plan, this home features rich wood accents, exposed beams, metal ceilings, and custom lighting that create a warm, lodge-inspired atmosphere unlike anything else on the market. The spacious kitchen is the heart of the home, featuring granite countertops, custom wood cabinetry, open shelving, a large center island, and abundant prep space-perfect for everyday living and entertaining! The expansive living area flows seamlessly to the oversized covered porch, where you can relax and enjoy the peaceful views of the surrounding trees and privacy of country living! This beautiful property offers the tranquility of a rural setting while remaining minutes from shopping, dining, and everyday conveniences. Character, craftsmanship, and a style all its own!!
