Welcome to this beautifully refreshed, French-inspired Acadian garden home in the desirable Ruelle De Grace community. Offering 2,786 square feet of thoughtfully designed living space, this low-maintenance home combines timeless architectural charm with modern updates. Built with antique brick and genuine stucco, it reflects quality craftsmanship throughout. One of this home's greatest advantages is its garden home design. The manageable outdoor space provides beauty and privacy while requiring far less maintenance, making it an excellent choice for busy professionals, frequent travelers, empty nesters, or anyone who prefers spending more time enjoying their home than maintaining it. Freshly painted inside and out in today's neutral colors, the home is bright, inviting, and move-in ready. Most lighting and plumbing fixtures have been updated, and brand-new carpet enhances the upstairs living areas. The flexible floor plan features 4 bedrooms, 2 full baths, and 1 half bath.
