Charm starts here! Downtown Houma, just a stones throw from a park. This home is within walking distance to parades and so many of the fun festivals here in Houma! Near the hospital, restaurants, and the courthouse. The backyard has an adorable shed, shade trees, and is well sized. The inside of the home has been updated and fresh. Kitchen is spacious with quartz counter tops and a dine in area. Livingroom is spacious and has loads of natural lighting. I love formal foyer, and this one has it! Two bedrooms, plus there is a laundry room that formally served as a third bedroom. This room could double as a dressing room or office.
