\$485,000

5 Bedrooms | 3 Bathrooms | 3,599 Sqft

If you've been searching for a home where everyone finally has room to spread out...here she is! With over 3,500 square feet, 5 bedrooms, 3 bathrooms, multiple living spaces, and flexible rooms that can grow and change with your family's needs, 10517 Buxton isn't just a house it was designed for real life. The kitchen is the heart of the home, offering abundant cabinetry, granite countertops, stainless steel appliances, a gas cooktop, and one of the largest walk-in pantries you'll find built with a busy family in mind. Whether you're stocking up on groceries, organizing small appliances, or preparing meals for a crowd, you'll appreciate the incredible storage. Need room for everyone? This home features two separate dens plus a huge bonus room that could become a game room, media room, homeschool space, workout room, pool room, craft room, or even be converted into a private apartment or mother-in-law suite. The split floor plan provides privacy, while the primary suite truly lives up to its name. The spacious bedroom is complemented by a spa-inspired bath featuring dual vanities, an oversized walk-in closet, and a luxurious wet-room style design where the soaking tub is beautifully positioned within the oversized shower area, creating a relaxing retreat you'll look forward to every day. Step outside and you'll discover even more to love. Enjoy
