4 Bedrooms | 3 Bathrooms | 4,643 Sqft

Tucked away on a secluded street in Walden Glen, this stunning custom home blends timeless elegance with exceptional comfort. Offering 4BR, 3-full and 2-half BA, the thoughtfully designed floor plan features 2 bedrooms downstairs and 2 upstairs, along with a spacious loft that's perfect as a playroom, media space, or additional living area. Beautiful slate and wood flooring flow throughout the main living areas, while a spacious office with custom built-ins provides the ideal work-from-home space. The gourmet kitchen is a chef's dream, complete with quality finishes, a breakfast area, and an inviting keeping room that makes everyday living and entertaining effortless. Step outside to your private backyard retreat featuring a sparkling saltwater pool and a covered patio, creating the perfect setting for relaxing or hosting family and friends. As an added bonus, a separate garage apartment provides flexible space for guests, extended family, or a private home office and is not included in the home's listed living square footage. This exceptional property offers the charm of French-inspired architecture, versatile living spaces, and an unbeatable location just moments from all that Baton Rouge has to offer.
