4 Bedrooms | 2 Bathrooms | 2,118 Sqft

Exceptionally built and beautifully maintained, this 4-bedroom home is located in the desirable Collins Place subdivision. Stunning wood floors, custom millwork, and rich crown molding are showcased throughout the home. Gorgeous granite countertops are featured in all wet areas. The kitchen boasts stainless steel appliances, including a recently upgraded gas range, and offers ample bar seating. The open, flexible floor plan is filled with natural light and features a gas fireplace with a granite surround and intricate mantel detailing. The spacious primary suite offers an oversized double vanity, a jetted tub, separate shower, and a generous walk-in closet. The three additional bedrooms are located on the opposite side of the home and share a convenient Jack-and-Jill bathroom. Step outside to a fully fenced backyard with peaceful, private wooded views. Additional highlights include a roof replaced in 2024 and a location in Flood Zone X.
