4 Bedrooms | 2 Bathrooms | 2,007 Sqft

This 4 bedroom, 2.5 bath home features a traditional floor plan with space for everyone. As you enter the foyer, a formal dining room on the right can also serve as an office or flex space. The spacious living room has 10 ft ceilings, crown molding, can lighting, built in cabinets surrounding the fireplace and french doors that open up to the back porch and fenced yard. The kitchen features stainless appliances, gas range, an island and an abundance of cabinets. A cathedral ceiling highlights the large breakfast area. The front hallway has 3 bedrooms with a shared bathroom, while the primary bedroom suite is separate. It has a double vanity, separate closets, a soaking tub and a renovated tile shower. A rear carport allows for plenty of parking for guests. New exterior pictures coming soon.
