Welcome to the "House of Doors". A custom-built (by Dupree Construction) architectural treasure offering 3,089 square feet of luxury, warmth, and accessibility, perfectly situated backing up to serene, wooded area. From the moment you approach, you'll fall in love with the classic brick pathway, professionally landscaped yard with automated irrigation and outdoor accent lighting, and picturesque front porch. Step through the dramatic antique giant Scandinavian front doors into a light-filled interior featuring handcrafted Heart of Pine hardwood flooring throughout the main level, plantation shutters, and Sienna Bordeaux granite across every counter. Designed with thoughtful accessibility, the home features handicap-width doorways throughout and a seamless layout. The main level features two bedroom suites, including a private primary with an electronic closet and pop-up ironing board, plus a full guest bedroom with another en-suite bath. Special architectural highlights include antique stained glass on the powder room door, a barn door on the laundry room, and an antique-finished pantry door. Entertaining is effortless with two gas log fireplaces, a wet bar with a wine/beverage fridge, and built-in speakers with an audio cabinet. Upstairs offers two additional bedrooms, a full bath, low-pile carpet, and a dedicated TV/study room, along
