3 Bedrooms | 2 Bathrooms | 1,989 Sqft

Nearly 2,000 square feet of thoughtfully renovated living space, custom farmhouse character, and an open-concept design make this Denham Springs home a true showstopper. The home offers three bedrooms, an office or bonus room with fourth-bedroom potential, and two-and-a-half bathrooms. At its heart is an impressive kitchen featuring white Shaker cabinetry, granite countertops, a subway tile backsplash, open wood shelving, an apron-front sink, stainless steel appliances, and a six-burner Viking gas range with custom vent hood. The handcrafted pine island remains with the home, while an antique glass pantry door adds another distinctive touch. The spacious primary suite includes a marble-topped, furniture-style dual vanity and large walk-in closet. Natural light, warm LVT flooring, generous secondary bedrooms, and flexible living areas create a home that is as comfortable as it is memorable. Outside, enjoy a fully fenced corner lot, covered porch, extended covered parking, painted brick exterior, and metal roof. Conveniently located off LA-16 with access to Livingston Parish schools, this home delivers space, character, and exceptional farmhouse style.
