3 Bedrooms | 2 Bathrooms | 1,609 Sqft

Discover a serene slice of Bayou Blue living, where charm and tranquility come naturally. This 3 bed/ 2 bath - 1600sqft home & land offers a rare combination of privacy, space, and updates, all set on 17.041 acres. A portion of the land is cleared while the remainder consists of dense woods backing up to a canal, providing both natural beauty and potential for recreational or agricultural use. Home originally built in the 1940s, the home has undergone numerous updates, including a factory-built cabinet system with butcher block countertops, laminate wood flooring, and recessed lighting throughout the main living areas. The home features an open-concept kitchen, dining, and living area, three bedrooms, and an interior walk-in laundry room. Stainless steel appliances, including a gas stove, dishwasher, and built-in microwave, were added in 2024. The water heater was replaced in 2022, and a new corrugated metal roof was installed that same year. The central air and heat system was replaced in 2023, ensuring year-round comfort. The home includes a full bath with vinyl tile flooring, shiplap walls, a tub/shower combo, and new toilets. The master bathroom hosts an oversized walk-in shower with fresh paint and fixtures. Windows were replaced in 2024, and new ceiling fans were added. Recent electrical updates and there is a current termite contract
