3 Bedrooms | 2 Bathrooms | 1,354 Sqft

Be the first to live in this brand-new 3 bedroom, 2 bathroom home. The owner just finished building it, and it shows. This wasn't built with the cheapest materials or the quickest labor just to get it rented. You can tell quality was the goal from day one. It feels like a home in every sense of the word. Outside, you have a large concrete driveway with room for up to four vehicles, a privacy wall between the two units, and a spacious backyard that's fully fenced with a quality wood fence. There's also a covered back porch that's perfect for sitting outside in the evenings. Inside, everything is brand new. The stove, refrigerator, washer, and dryer are all included, so all you have to do is move in. If you've been looking for a rental that actually feels like a home instead of just another rental, this one is worth seeing.
