4 Bedrooms | 2 Bathrooms | 3,140 Sqft

LOTS of space! This 4 bedroom, 2.5 bath has an updated kitchen and bathrooms, two living areas, a hobby room, and air conditioned workshop. The kitchen features a dishwasher, large pantry, gas and electric ranges and wall ovens. In addition to a large living room with a fireplace and vaulted ceilings, the home has a formal dining room and a second front room that could be an office or play room. Large bedrooms provide lots of area to stretch out. The second living could also be a game room or bonus room and is very spacious with glass doors that open to the driveway on one side and the back courtyard on the other. Great location close to restaurants and shopping. Schedule your showing today!
