Pool. Pond. Golf course community. This 3BR/2BA Copper Mill home checks every box. Step into an open floor plan with wood floors, a brick fireplace, and built-ins that make the living room feel instantly cozy. The kitchen has tons of cabinet space, a big island with breakfast bar seating, a 5-burner gas range, and 3CM slab granite throughout. The master is tucked into its own private corner and opens to a bathroom that feels like a spa day: dual vanities, slab granite, a soaker tub, tiled shower, and a walk-in closet. Two more bedrooms and a full bath sit on the other side of the house great for kids, guests, or a home office. A fully fenced backyard, pond views, and your own saltwater gunite pool. It's the kind of backyard that makes you cancel vacation plans. And Copper Mill itself brings golf, tennis, a community pool, splash pad, Turnberry Park, a fishing pond, and walking trails all covered by HOA. Homes like this don't sit long.
