Welcome to 4266 Highway 311 a truly exceptional, custom-built home crafted by renowned woodworker Joey Yesso. This solid, well-built residence showcases timeless craftsmanship and exquisite woodwork throughout. Step inside to find grand, oversized rooms with tall ceilings, including spacious bedrooms featuring charming window seats. The executive office is both impressive and functional, highlighting beautiful custom wood detailing that creates a professional and refined space. Every inch of this home was thoughtfully designed, offering an abundance of storage with numerous closets and a generous walk-in pantry. The formal dining room is equally grand, perfect for entertaining and hosting gatherings. Additional features include three fireplaces, plantation shutters, storm shutters, an oversized garage, whole house generator and a dedicated workshop. Outdoors, enjoy a serene setting with a beautiful pond that regularly attracts ducks, adding to the peaceful atmosphere. The property borders The Lakes Subdivision, offering both privacy and convenience. This home also provides future flexibility, with space already designed for a potential elevator and the option to add an additional upstairs bedroom. A rare opportunity to own a one-of-a-kind home built with quality, character, and enduring style you must see it to truly appreciate all it
