4 Bedrooms | 3 Bathrooms | 2,640 Sqft

Situated on a beautiful 1.77-acre rural tract in Walker, this stunning 4-bedroom, 3.5-bath home offers the perfect blend of spacious living, thoughtful design, and exceptional outdoor entertaining. Featuring a triple-split, open floor plan with abundant storage and a NEW ROOF installed in 2025, this property is designed for both comfortable everyday living and entertaining. Step inside to soaring ceilings, recessed lighting, beautiful laminate wood flooring, triple crown molding, and a wall of windows that fills the living spaces with natural light. The spacious living room features custom built-ins and a cozy gas-log fireplace. The kitchen is a true centerpiece, offering custom stained cabinetry with beaded-board accents, granite countertops, wall oven, stainless steel appliances, oversized island, and a large walk-in pantry. The formal dining room showcases a tray-accented ceiling and beautiful custom-framed arched window. The private master suite offers an oversized window overlooking the outdoor pool area. The luxurious master bath features dual vanities, two walk-in closets, a large soaking tub, and a separate shower. The additional bedrooms are generously sized, with convenient access to a Jack-and-Jill bathroom. Outdoor living is where this property truly shines! Enjoy relaxing under the covered patio or entertaining on the open patio, which
