3 Bedrooms | 2 Bathrooms | 1,903 Sqft

Welcome home to this spacious 3-bedroom, 2-bathroom home in the desirable Ellen Place neighborhood, offering approximately 2,000 sq. ft. of beautifully updated living space. Renovated throughout, this charming home blends modern updates with unique character and plenty of room to make yourself at home. Step inside to a spacious floor plan highlighted by a cozy fireplace with brick accents, abundant storage, and custom built-in shelving. The inviting den is perfect for relaxing or entertaining and features a convenient wet bar/buffet area. The generously sized primary bedroom offers its own special touch with a charming built-in bench nook perfect for reading or creating a cozy sitting area. Outside, you'll find a large lot with plenty of parking and a private courtyard patio, ideal for enjoying your morning coffee or outdoor dining!! A bonus workshop with paved access provides additional space for hobbies, projects, or extra storage. Conveniently located just minutes from recreation, restaurants, shopping, and everyday conveniences, this home offers an ideal combination of space, character, comfort, and location. This one is a must-see! Schedule your showing today and come experience everything this unique home has to offer.
