\$262,000

3 Bedrooms | 2 Bathrooms | 1,541 Sqft

Very Nice Home in Windwood Subdivision. Enjoy over 1500sf. Of living space in your new 3br, 2 bath home. This home has a great open floor plan for the Kitchen, Dining and Living area. Upon entering the front doors you will find a living area that has a gas fireplace and built in shelving along with a large picture window allowing a lot of natural lighting to flow through. In the kitchen you will find an island to prepare your meals on and serve along with a walk in pantry and laundry area. The dining room allows plenty of natural lighting and flows from the kitchen allowing family and friends to enjoy meals and time together. This split floor plan has a private primary suite and en suite with a garden tub, separate shower, water room and large double vanity along with a walk in closet. Step outside to your large private backyard with an electronic gate and nice patio area and storage room along with a storage building. The front porch also has a nice sitting area and manicured landscaping. Come and relax in your new home. Seller has reserved items which are excluded from the sale.
