This renovated 3 bed/2 Bath home offers an inviting floorplan with beautiful laminate wood floors throughout and is designed for comfortable everyday living and space for entertaining. The updated kitchen features granite countertops and stainless appliances & flows seamlessly into the main living areas with built-ins, a cozy electric fireplace, & large windows with views of the large/fenced backyard. Recent improvements provide added peace of mind, including an HVAC system approximately one year old and a roof approximately 6 years old. Outside, a large workshop offers plenty of additional space for lawn equipment, tools, hobbies, or extra storage. This home has been lovingly cared for over the years, and with its combination of thoughtful updates, an open layout, great storage, and major systems already updated, this home is truly turn key and ready for its new owners.
