5 Bedrooms | 4 Bathrooms | 4,053 Sqft

This home truly has it all! Offering 5 bedrooms and 4.5 bathrooms, this impressive home was designed for both luxury living and entertaining. The upstairs 5th bedroom features its own private bathroom and can easily serve as a game room, with a separate theater room located just off this space. The heart of the home is the beautiful kitchen featuring beamed ceilings, a large island, double ovens, 6-burner gas cooktop, built-in ice maker, walk-in pantry, and dry bar area. The spacious living room offers a gas fireplace and expansive doors that open completely to the covered patio and pool area, creating a seamless indoor/outdoor entertaining space. Step outside to your own private resort! The heated pool with attached spa and tanning ledge is complemented by a basketball goal and an impressive outdoor kitchen with grill, refrigerator, ice maker, and convenient half bath. The primary suite overlooks the backyard oasis through two large windows. The luxurious primary bath features a large walk-in shower, jetted soaking tub, separate double vanities, and two walk-in closets. Even the entrance makes a statement with elegant iron and glass front doors. The glass panels open independently, allowing fresh air inside while showcasing the gorgeous ironwork. From the theater room and resort-style pool to the incredible indoor and outdoor entertaining
