Rare opportunity to own a beautifully updated home on a gorgeous lake lot in one of the area's most highly desirable neighborhoods. Tucked away on a quiet cul-de-sac, this approximately 3,000 sq. ft. property offers 4 bedrooms, 3 full baths, a dedicated office, formal dining space, and an impressive layout designed for both everyday living and entertaining. At the heart of the home is a beautiful chef's kitchen featuring custom cabinetry, expansive countertops, and a 36" THOR gas range. The spacious interior flows effortlessly into the outdoor living area, where a heated saltwater infinity pool creates a private resort-style setting overlooking the lake. With its combination of location, space, luxury amenities, and waterfront setting, this is a truly rare opportunity in a neighborhood where homes like this do not come available often.
