5 Bedrooms | 3 Bathrooms | 4,095 Sqft

Welcome to a property filled with space, versatility and endless possibilities! Situated on a spacious corner lot, this expansive home offers over 4095 square feet of living area and plenty of room for both everyday living and entertaining. The main home features 5 bedrooms and 3 full bathrooms, along with a spacious living room, den, formal dining room, and eat-in breakfast bar area. A wet bar in the living room adds the perfect touch for entertaining family and friends. You'll also find two separate office spaces, a cedar closet and an enclosed patio offering even more flexible space. Outside the property continues to impress with a 714 square foot carport and a large 32x36 workshop/storage building with a half bath. Whether you need room for a business, hobbies, projects, vehicles, equipment, or additional storage, this workshop offers exceptional possibilities. With its large floor plan, extra lot space, abundant storage, impressive workshop and multiple living and entertaining spaces, this property has so much to offer. Bring your ideas and make this spacious property your own!
