Location, location, location. Sitting on a hi and dri lot, this home was built by master builder Richard Kuhlmann within a private collection of five stylish homes in a niche neighborhood. This French inspired home was designed by renowned designer Andy McDonald. It is in great condition with a new architectural roof, new windows, fresh paint in and out plus a whole house generator. Allergy sufferers will love the hard surface floors. No carpets here. Ski hi ceilings with much millwork. An abundance of kitchen cabinets plus granite counters. Never a complaint as to primary bedroom closet size .the primary closet is as large as a bedroom. Room to run and play in the fully fenced rear lawn.
