No need to AI these photos because the seller has done all the work for you. Located in Lafayette Woods Subdivision, this 3-bedroom, 2.5-bath home with an additional office has been completely remodeled by a meticulous craftsman. So much work has been put into this home that it feels brand new. The first floor offers a living room with exposed beams, a cathedral ceiling, and a sliding glass door leading to the covered back patio. The kitchen features quartz countertops, a large kitchen island, custom built cabinets, recessed lighting, and Frigidaire appliances, including the refrigerator, stove, dishwasher, and microwave. This level also includes a dining area, sitting area, and breakfast nook with a built-in sitting area in front of the bay window overlooking the backyard. The breakfast nook could also be used as a reading room. Luxury vinyl plank flooring runs throughout the home, with carpet on the stairs. The second floor includes all three bedrooms and the office. The main suite features an en suite bathroom with a tiled walk-in shower and a freestanding clawfoot tub. If you love that new-car smell, this home is giving new-house smell. The exterior includes a two-car garage, spacious backyard, and covered patio.
