5 Bedrooms | 4 Bathrooms | 2,900 Sqft

Welcome to this spacious 5-bedroom, 4-full-bathroom home, thoughtfully designed for comfortable multi-generational living. Featuring three en-suite bathrooms, this home offers exceptional flexibility and privacy for families of all sizes. Two of the en-suite bedrooms are especially generous, each offering a large bedroom and spacious walk-in closet. The en-suite bathrooms feature Jacuzzi tubs, creating a comfortable retreat within the home. The main living areas include a welcoming foyer, formal living room, formal dining room, and a large family room with soaring cathedral/vaulted ceilings and a wood-burning fireplace. The kitchen features a gas range and 3 cm granite countertops, with matching 3 cm granite in all bathrooms. Freshly painted throughout and featuring no carpet, the home is move-in ready. Additional highlights include a spacious laundry room, generous storage, and an established neighborhood. Built around 1972, this solidly constructed home has been well maintained, with the roof and central HVAC system replaced in 2019. The architectural shingle roof provides lasting curb appeal and durability, while central heating and air conditioning offer year-round comfort. With its spacious layout, multiple en-suites, abundant storage, and comfortable gathering spaces, this home is ready for its new owners to make it their
