4 Bedrooms | 4 Bathrooms | 3,577 Sqft

Fantastic 4-bedroom, 4-bath home centrally located in Baton Rouge, just off Bluebonnet Boulevard with convenient access to I-10. Offering the look and feel of new construction, this beautiful home showcases custom millwork, thoughtful architectural details, refinished pine flooring, custom wrought-iron banisters, designer lighting, and quality finishes throughout. The spectacular kitchen features an impressive island, custom cabinetry, slab-granite countertops, a subway-tile backsplash, walk-in pantry, stainless steel appliances, and a gas range. Each bedroom includes its own private full bathroom, along with a walk-in closet featuring a built-in dresser. The spacious primary bathroom offers an oversized custom shower and a relaxing jetted soaking tub. Full-length windows fill the living room with natural light, while a double-sided, wood-burning masonry fireplace connects the living area to the dining and keeping room, which includes built-in bookcases and a television cabinet. Additional features include a large utility room with abundant cabinetry and a utility sink, dedicated office space with storage and a work area, and a brick-paved covered patio. The fourth bedroom is located upstairs and could also serve as a media room, bonus room, or playroom. This exceptional home offers luxury, flexibility, and a convenient location in the heart of Baton
