4 Bedrooms | 2 Bathrooms | 2,100 Sqft

NEW LISTING ALERT AN EXCEPTIONAL OFFERING IN WESTMINSTER! One of the larger homes in Westminster Subdivision, this spacious residence offers over 2,000 square feet of living area with the room, flexibility, and style buyers have been waiting for. From the moment you step inside, the open layout, updated flooring, fresh modern finishes, and generous living spaces create an impressive first impression. The updated kitchen features genuine-marble countertops, sleek cabinetry, and an open connection to the main living areas, ideal for everyday living and entertaining. The home also offers multiple spacious bedrooms, including a primary suite with a walk-in closet and private bath featuring a jetted tub. Need even more space? The large enclosed sunroom provides an incredible bonus area for entertaining, relaxing, game nights, or year-round gatherings, while the large backyard and covered patio extend the living space outdoors. With its combination of size, updates, entertaining space, and versatility, this home presents an exceptional opportunity in Westminster. If you've been waiting for a home that delivers substantial space, modern updates, and room to truly live, this one deserves your immediate attention. ***The seller is motivated and the property is priced to sell.*** Schedule your showing while it is still available, opportunities
