Great potential in this older home in a well established neighborhood. This home could be a stunner with a few updates and upgrades. Current condition is a "diamond in the rough". A little sweat equity will be required to bring this home to its full potential. Great floor plan in this 4 Bedroom 3 Bath home. Home offers a Mother In Law Suite with its' own bathroom just off of the kitchen. Home has new flooring in some areas. Come take a look at this home before it's gone!
