4 Bedrooms | 3 Bathrooms | 4,547 Sqft

Step into the timeless character of this spacious two-story home, built in 1962 and offering approximately 4,547 square feet of living area. The second floor features four bedrooms, three full bathrooms, a conveniently located laundry area, and a versatile game room that could potentially serve as a fifth bedroom. Two staircases one on each side of the home provide convenient access between floors. The main level offers an office, formal dining room, living room with a fireplace, a half bathroom, and a light-filled garden/sitting room surrounded by windows. The kitchen features quartz countertops, and all kitchen appliances will remain. Terrazzo, engineered hardwood, and carpet flooring can be found throughout the home. Additional highlights include two central air-conditioning units, a metal roof, a second-floor terrace, mature trees, and an attached two-car garage. The property also includes a detached 16' x 24' storage/workshop and separate 12' x 28' guest quarters. With generous living spaces, flexible rooms, and distinctive architectural features, this one-of-a-kind property has so much to offer.
