\$359,900

4 Bedrooms | 3 Bathrooms | 2,015 Sqft

Discover the charm of Oak Run community in this beautifully maintained, home featuring 4 bedrooms and 3 full bathrooms. The desirable triple-split floor plan creates distinct living offering an abundance of natural light. With no carpet throughout, the flooring is both attractive and easy to maintain. The kitchen features granite countertops, custom-built cabinetry, a spacious eat-in island, a gas range and stainless steel appliances. The primary suite includes a well-appointed bathroom with dual vanities, granite countertops, a separate shower, a garden tub with tile surround and a walk-in closet. An oversized laundry room provides abundant cabinet storage and countertop space for added convenience. Step outside to a peaceful backyard retreat designed for relaxing and entertaining. The expansive patio provides plenty of room for outdoor dining, grilling and gathering with friends, while the covered porch offers a comfortable shaded place to unwind. Beautifully established landscaping, colorful plantings, a decorative fountain, mature trees, and a lush wooded backdrop create a serene and private setting. The manageable lawn and detached storage building add convenience without taking away from the beauty of the space. The breaker box in the garage is equipped with a connection for a portable generator, offering added
