Welcome to 1634 Theron Dr, a beautifully updated Baton Rouge home offering a fresh, modern interior and a versatile floor plan designed for comfortable everyday living. Thoughtful improvements throughout give this home a clean, move-in-ready feel, including new flooring, fresh interior paint, new appliances, updated plumbing fixtures, contemporary lighting, and refreshed finishes. Step inside to bright, neutral spaces filled with natural light and easy-care wood-look flooring that flows throughout much of the home. The spacious living area offers plenty of room for relaxing and entertaining, while the separate dining area and breakfast space provide flexibility for casual meals and larger gatherings. The updated kitchen features new appliances and connects conveniently to the surrounding living spaces. The bedrooms offer comfortable proportions and neutral finishes, while the primary bedroom features convenient access to its updated bath and closet. Updated bathrooms showcase crisp, modern finishes, including attractive tilework and refreshed fixtures. Ceiling fans, abundant lighting, and a clean contemporary color palette complete the interior. Outside, enjoy a spacious lawn and established surroundings, with convenient access to many of South Baton Rouge's major shopping, dining, entertainment, and employment destinations. The 70810
