Come enjoy quiet country living in this charming and beautifully updated 2 bed 2 bath home situated on 1.14 acres! Precious front porch just waiting for some rocking chairs. Roof was replaced in 2021. Interior was freshly painted in 2022. Spacious living room with wood burning stove and durable laminate wood floors that continue throughout the living area and bedrooms. Kitchen features stainless appliances, leather finish granite countertops, tile backsplash, large farmhouse sink and updated lighting and fixtures. I adore the oversized tile flooring in the kitchen and baths. The large primary bedroom has a beautiful wood accent wall, walk in closet and updated en-suite bath. The ensuite has tub/shower combo with tile surround, stylish vanity, and beautiful tile floors. The oversized second bedroom has its own entry to the hall bath and the same beautiful wood walls throughout the whole home. The hall bath is also updated with sleek tile floors, tub/shower combo with tile surround, and modern vanity. Exterior was restained in May of 2022. Great back porch off of the kitchen that overlooks the large backyard with plenty of room to roam. There is also a covered carport as well as a workshop. This is one you don't want to miss!
